MOTION TO COMPEL DISCOVERY

Comes now Plaintiff David Stebbins, who hereby submits the following motion to compel discovery.

- 1. On the date of March 30, 2011, I sent the Defendants a request for production. See Document #71
- 2. See Exhibit A for the contents of that request for production.
- 3. To this day, the Defendants have not responded to my request for production, not even raising so much as an objection to the production, let alone produce the documents I requested.

Wherefore, I pray that you issue an order compelling discovery, award costs incurred, and other relief that the court finds appropriate.

It is so requested, on this 8th day of May, 2011.
